Course Description

Math 6 concentrates on whole numbers as well as fraction and decimal operations in solving word problems and equations. Other topics studied are graphs, measurement, ratio, proportion, percent, geometry, probability, integers, and an introduction to algebra.

Tutoring

I am available for tutoring Tuesday-Thursday 11:13 – 11:43 (A-Lunch). If additional time is needed please contact me via email.

Classroom Expectations

Respect: self, others, property

Prepared: be on time, bring class materials, complete assignments

Active Listening: don't interrupt others, good eye contact, provide feedback

Effective Communication: raise hand to comment, talk with partners, speak clearly

Consequences

Reminder or verbal warning

Time with teacher: during lunch, before school, after class

Duty: e.g. picking up trash, repeating a procedure

Call home, plus lunch detention and/or referral

Materials

College Rule Spiral Notebook (i.e. Five Star 3 or 5 subject)

Red and Blue erasable pens

Highlighters (2-3 different colors):

Grading Policy

10% Homework

50% Daily work (warm ups, classwork, learning checks)

40% Tests

Quality: complete all assignments in pencil, and show all of your work

Late work: late work is not accepted. Please contact me if an emergency arises.

Make-Up Work: If absent, a student will be permitted at least one day for each day absent to complete the work.

Retest: If a student scores below a 70% on a unit test, they may retest for a maximum score of 70%. The student will need to consult with me regarding retest procedures.
